NICE JUICY TURKEY may be a powerful incentive to Thanksgiving, yet is not necessary when there is genuine appreciation of the real blessings of the year.

His Highness

GIVING THANKS may be made so formal that the Almighty doubts the existence of gratitude. It was the poor Publican's prayer that was commended to us all.

WHAT WOULD THE DAY BE WITHOUT A BIRD LIKE THIS TO GRACE THE BOARD?

We are giving below the substance of a Bulletin from the United States Veterans Bureau No. 9, St. Louis, Mo., by the Adjt. of The Barrett-Crader Post No. 339, American Legion.

December 31st, 1921 is the last date that reinstatement of War Risk Insurance can be made.

Reinstatements may be made by payment of two monthly premiums and under the following conditions: (a) Within three calendar months from date of lapse, including the calendar month for which the unpaid premium was due, provided the applicant is in as good health as at the date of the premium in default and so states in his written application.

(b) After the expiration of 3 months and within six calendar months from date of lapse, including the month for which the unpaid premium was due, provided the applicant is in as good health, so states in his written application and furnishes a report of a full medical examination substantiating that statement.

Men disabled in the service may reinstate under the following conditions.

Under a recent act of Congress the Government agrees to reinstate the insurance of any disabled soldier or sailor, whose injury or disease was incurred in or aggravated

by the service, upon the payment of all back premiums with interest figured at 5 per cent per annum, compounded annually from date of each premium. In connection with reinstatement under this act, it is necessary that a report of a full medical examination be submitted in order to determine whether the applicant is totally and permanently disabled.

Reinstatement may be made by communicating with the District Office of the U. S. Veterans Bureau, 6801 Delmar Blvd., St. Louis, Mo.

If the Adjutant of the local American Legion Post can help you in any way he will be glad to answer any communications that he may receive.

### THE MIGHTY HUNTERS RETURNED WEDNESDAY EVE.

The hunting party composed of Marion Day, Earl Walker, and Homer Chandler of Lutesville, Charley Day, and Mr. Collier, of Bloomfield, and Mason Day, of Dexter, spent the first of the week hunting ducks at Mingo, and report the biggest flight of ducks they ever witnessed. They killed the limit of 150 ducks. Marion Day, Earl Walker and Homer Chandler returned home Wednesday evening, accompanied by Mason Day, of Dexter. They brought 80 ducks home with them and after they got them strung up in the bakery for a picture it made quite a show.

Henry Schrock of Millerville has our thanks for renewal favors.
